

Vinco®-TuffScrub

Vinco® -TuffScrub Biodegradable Industrial Cleaning & Degreasing Wipes For Hands & Tools

Tough on grease and grime - heavy duty cleaning and degreasing biodegradable big wipes that are great for use on both hands, tools and surfaces. These wipes are formulated from a soft 100% biodegradable and plastic free wipe fabric designed to loosen the dirt and grime off of the surface that is being wiped. This wipe fabric is very soft and is unlikely to scratch any surface, if unsure try a small area and allow to dry before wiping down the whole surface.

Ideal for removing:

- Grime & Grease
- Oils
- Paints
- Ink
- Adhesives
- Silicone
