

## Vinco®-MedWipe

### Polypropylene & Plant Based Tub Wet Wipes For Cleaning & Disinfection.

The Vinco®-MedWipe range is suitable for use on hard surfaces and non-invasive medical devices. Designed and developed from science it emphasises cleaning & disinfection. This multi-purpose wipes range is formulated from a plant based lactic acid active and coupled with a high performing 100% biodegradable viscose wipe. The plant-based formulation is free from harmful biocides such as PHMB, Amine, Triamine, Ethanol and Chlorine which are all widely used across other conventional products. This wipe is powerful, safe and delivers broad-spectrum disinfection of multi-resistant bacteria, viruses, yeast and mycobacteria approved for healthcare and the dental sectors.

#### Code

CP246

#### Wipes

White polypropylene wipes

#### Formulation

Fast action rinse free plant-based formulation:  
Kills 99.999% of all bacteria in 1 minute.  
Kills 99.99% of all viruses in 2 minutes.

#### Quantity

200 Wipes per refill bags

#### Made In Britain

Compliant with over 20 British standards.  
Approved by GB HSE under the Simplified Authorisation.

#### Free From

PHMB & QUAT

#### Wipe Size: 20x20cm

#### Passes: Tested to BSEN standards
